

Nominations now open for the National Philanthropy Day Awards!
All nominations to be submitted by October 6, 2017.

They are the most cherished assets of our non-profits, charities, sporting organizations and faith communities. They are philanthropists and volunteers that understand that good work requires financial commitment and they go above and beyond in support of the organizations and causes they care about. That's why the Association of Fundraising Professionals of South Eastern Ontario Chapter has put out a call for nominations to recognize the people who make our communities better.
